

# Small Walk In Closet Checklist:

## materials:

- Bookcase or built-in shelving
- Clear plastic shoe boxes with lids
- Printed photos of each shoe
- Packing tape
- Metal closet rod(s)
- 2 (or more) closet rod brackets per rod
- Jewelry bag
- Wall hooks
- Drill and drill bit
- Pliers
- Hammer
- Level
- 2 ½ inch screws

## how-to:

- Insert shelving to maximize shoe box storage
- Move shelving as close together as possible
- Label all shoe boxes
- Hang new closet rod(s) close to ceiling
- Measure longest clothing length to maximize additional closet rod(s) placement
- Add a floating shelf to maximize prime real estate (things you grab for everyday)
- Add jewelry to your jewelry bag
- Hang scarfs and belts on wall hooks
- Use appropriate hangers for your clothing
